

I AM MY BELOVED'S, AND MY BELOVED IS MINE SONG OF SONGS 2:16

HAPPY ANNIVERSARY

*Today we see what God has done
We see His hand through all that's come
A year of life together we stand
Stronger, better, hand in hand.*

*Another year has come and gone
A year in which our love has grown
Every day with you I am blessed
A gift from God I must express.*

*Our love has grown from year to year
Through all our ups and downs my dear
We know that God has put us together
To live our life of love forever.*

*So, on this day we celebrate
Today we pause to consecrate
For what God has done in our life together
Let us praise Him together, forever.*
