**PRAYING
FOR YOU**

*My heart goes out to you today,
For the trials that you've had to weigh
But God is there and will see you through
He knows your struggles, your trials too.*

*I want you to know I'm here for you
To pray and let God's love shine through
May God in His mercy give you the grace
You need to have each day that you face.*

*Take time to heal, take time to let go
Allow His love to restore you so
You will come out of this trial you face
Fueled and filled by His amazing grace.*
