

*Words that  
express  
thank you!*

For all you've said and done for me  
For all your words that have lifted me  
I want to say what my heart feels for you  
Words from the heart that may lift you too.

I see your kindness as a gift from above  
Grace shown from our Father's love  
Yes, God has shown in your life and actions  
His Spirit reveals they are not transactions.

Your time, your talents, your gifts of grace  
Have blessed me so my life can face  
The burdens and trials, the struggles we carry  
Life is made lighter because you carry.

Receive my thanks for all you've done  
Our lives connected because of the One  
Our God has put our lives together  
I thank Him for you, may He bless you forever.
